

## The Little Iceberg's Journey Through Monifieth

The Little Iceberg is scared and lonely, hiding around Monifieth. Can you find her? In each of her hiding places, you will find an emotion, a letter, and a map to nearby hiding locations. Record all the information below, and then scramble up the letters to find out how to help those who also feel scared and lonely.

|   | <u>EMOTION</u> | <u>LETTER</u> |
|---|----------------|---------------|
|    |                |               |
|    |                |               |
|    |                |               |
|    |                |               |
|   |                |               |
|  |                |               |
|  |                |               |
|  |                |               |
|  |                |               |
|  |                |               |
|  |                |               |
|  |                |               |
